

What did we learn from handling claims in Russia in 2018 – 2019?

RAAKS International Aviation and Space
Insurance Conference
President Hotel
Moscow
20th February 2020

What did we learn from handling claims in Russia in 2018 – 2019?

What did we learn from handling claims in Russia in 2018 – 2019?

- Importance of Government Relations (GR) and Public Relations (PR)
- Walkaway passenger compensations
- Customs implications when dealing with aircraft under temporary import regime
- Disposal of salvage: implications of criminal investigation and customs
- Leased engines and spare engines
